Veronica R. “Nicki” Harle earned her Bachelor of Arts degree in Speech with a minor in Journalism in 1971 at Texas State University. During her time as a student, she served as President of Associated Students (now known as Student Government). Following graduation, she was Director of Alumni Affairs at Texas State. She maintained ties to her alma mater as a Past President and Lifetime Member of the Alumni Association and as a former member of the Advisory Council for the College of Fine Arts and Communication. She received the Alumni Achievement Award in 2008 in recognition of personal and professional achievements. In 2019, she was appointed to The Texas State University System Board of Regents by Governor Greg Abbott.

Harle is co-founder of Texas Midwest Community Network (TMCN) for which she served 20 years as Executive Director. TMCN is the premier regional organization in Texas providing resources, training, and networking opportunities related to community and economic development for local leaders in more than 50 small cities in West Texas. For her work in the region, she was awarded the Regional Service Award by West Central Texas Council of Governments.

Prior to launching TMCN, Harle helped establish the first veterinary clinic in Callahan County with her husband, Dr. Robert P. Harle. She then pursued her own business, training young students in the art of dance and performance. This led to a teaching position at Cisco College followed by a position as host/producer for local affairs talk show on KRBC-TV, NBC affiliate in Abilene. Along the way, she published the West Texas Travel Guide to promote amenities in rural communities. Her commitment and passion to help rural communities continued after retiring from TMCN when she started “Moving Rural Forward!,” a leadership training in rural counties.

Following the loss of her husband in 2018, Harle continues their small ranching operation in Callahan County and holds a leadership role in the Callahan-Shackelford County Farm Bureau. Her three sons, JW, Kirt, and Lee, inherited the entrepreneurial spirit that she and her husband shared and have each pursued unique professional paths. She is also “Nana” to seven grandchildren.

SPOTLIGHT ON RISING STARS

The College of Health Professions at Texas State University is celebrating its 50th anniversary this academic year. Through its professional, clinical, and academic programs, the College of Health Professions prepares students for careers in the healthcare field. On the cutting edge of research and clinical innovations, the college serves as an advocate for change and improvement in health care for Texas and beyond. The College of Health Professions is a trailblazer in translational health research while fulfilling the demand for committed, compassionate, and competent future healthcare leaders and providers.

In 1970, Texas State University initiated a study to determine the potential for the university’s participation in the emerging Texas healthcare workforce. On April 24, 1972, the Texas Higher Education Coordinating Board approved the proposal, and the Allied School of Health Professions was born.

From the earliest days of a single program in Inhalation Therapy (now Respiratory Care), the college has grown significantly to serve the state of Texas. Today, the College of Health Professions is organized into eight academic units: School of Health Administration, St. David’s School of Nursing, Departments of Communication Disorders, Health Information Management, Respiratory Care, and Physical Therapy, and Programs in Clinical Laboratory Science and Radiation Therapy. Approximately 1,800 affiliation agreements are maintained to provide clinicals, internships, and field experience for the students completing baccalaureate, master’s, clinical doctorate degrees, and certificate programs in the college. In addition to the academic units, the College of Health Professions is home to the Institute for Health Information Technology, the Physical Therapy Clinic, the Speech-Language-Hearing Clinic, and the Ascension Seton Williamson Sleep Center at Texas State University.

In its 50-year history, the College of Health Professions has set the standard that others follow, and its graduates make Texas State proud. The move to Round Rock has positioned the college to grow its programs, acquire advanced state-of-the-art equipment, and to build a unique synergy with healthcare partners in the greater Round Rock area. The future holds many exciting prospects for the college, which spans both the San Marcos and Round Rock campuses. Here’s to the NEXT 50 years of caring for the health of Texans!
Congratulations, Bobcats! It is my pleasure as your President of the Texas State University Alumni Association to congratulate you on your graduation and to welcome you to our ever-growing alumni family. As you embark on the next phase of your life, remember you are not alone – you are now one of more than 214,000 Bobcats worldwide! The purpose of the Alumni Association is to increase the connection alumni have with Texas State and provide opportunities for alumni to connect to one another through their shared experiences in life and at our beautiful university. I encourage you to take advantage of the great programs and events the Alumni Association sponsors and organizes. To get started, here are some easy ways to get involved:

- **Engage with other alumni through our online communities.** Connect with the Bobcat Network on social media, sharing your story with us on Facebook, Instagram, or Twitter, and staying informed about what is happening at Texas State. Discover all that Texas State has to offer you not just now, but for a lifetime. For example, looking for a job? Texas State Career Services are available to alumni, too, and we have an active LinkedIn community!

- **Connect with Texas State.** Texas State University wouldn’t be the establishment it is today without the alumni that help support our mission. The value of your degree is enhanced by the number of alumni who give back to the university, and there are many ways to do so. Volunteering with the Association or your college/department, serving as an advocate for Texas State by recruiting prospective Bobcats, or contributing to the university during Step Up for State (our annual day-of-giving), are all great ways to support the Texas State Community.

- **Represent your Bobcat pride wherever your path takes you.** Joining the Alumni Association is the perfect way to demonstrate your Bobcat Pride and Spirit, gain access to a variety of benefits, and create a lasting legacy. Your membership helps you remain a vital part of the Bobcat experience by powering alumni programming, strengthening the University and enhancing student life. Special rates are available exclusively for new graduates to help you begin your journey toward becoming a dedicated alumnus.

- **Be Involved.** Whether participating in a Texas State Alumni Network, or attending alumni or athletic events, you can join thousands of alumni who work together to preserve the excellence of Texas State University.

You worked hard to earn your degree, and your alma mater is proud of you. Remember, our slogan of “Once a Bobcat, always a Bobcat,” means Texas State will always be an important part of you, and you will always be an important part of Texas State.

Be a part of your Alumni Association, demonstrate your Bobcat Pride, and get to know the Alumni Association today at alumni.txstate.edu. I wish you all the best on your post-graduation endeavors, and I hope to meet many of you at future alumni events. Again, we welcome you, congratulate you, and look forward to helping you maintain your relationship with Texas State University. Once a Bobcat, always a Bobcat!
