

# Austin-Bergstrom International Airport

## Looking for an incredible real work experience?

Gain valuable hands-on, real-work experience. As an intern with ABIA, you're more than an intern— you're a member of our team.

## Intern Programs

Austin-Bergstrom International Airport's (ABIA) programs provide qualified candidates an opportunity to gain relevant experience in their field of study. In return, ABIA gains a fresh perspective from the next generation of leaders. ABIA offers internships for graduate, undergraduate and high school students in a variety of fields including but not limited to: **Accounting, Finance, Construction Management, Engineering, Environmental, Customer Service, Safety, Security, Airport Operations, Human Resources, Public Information, Property Management, Music, Graphic Design, Maintenance and Airport Planning.**

Various interactive and social activities will be available during the Intern Season to promote learning and increase exposure to various aspects of the Airport. Other events include social gatherings to give Interns a chance to meet and network. Austin-Bergstrom strives to provide an all-encompassing experience, instilling a life-long positive memory of serving the public and the Airport.

## Interested in applying? Great, please have the following ready.

- Resume
- Cover letter (explain how the internship fits with your education, learning plans/objectives and/or future career path)
- Official transcript
- References or letters of recommendation
- Must pass a 10 year criminal history background check and security threat assessment to be accepted into our program
