

**Council of Academic Deans Meeting
June 25, 2019**

Summary and Action Items

1. Follow-up on Workload Policies – Dr. Debbie Thorne discussed the policy recommendations of the Faculty Workload Work Group, including feedback from each college.
2. Learning Management System Advisory Committee – Dr. Thorne announced to the Council that a new Learning Management System Advisory Committee would be created and she would be soliciting one representative from each college.
3. Education Degrees (undergraduate) – Dr. Michael O’Malley discussed with the Council the recent legislation that was passed restoring the education bachelor’s degree in Texas. He informed the deans that he would be soliciting one representative from each college for the new Executive Committee for the Teacher Education Council.
4. Undergraduate Admissions Report – Mr. Gary Ray provided the Council with the undergraduate admissions report.
5. Graduate Admissions Report – Dr. Andrea Golato provided the Council with the graduate admissions report.
6. Follow-up to Previous CAD Discussion about Round Rock Campus – Dr. Bourgeois continued the conversation about next steps for the Round Rock Campus, including upcoming strategic planning opportunities to refine programs offered in Round Rock.
