CONGRATULATIONS!
From the University College Advising Center

The academic advisors in University College would like to congratulate you for earning a place on the Dean’s List for Fall 2009.

Congratulations to the more than 160 of you who earned placement on the University College Dean’s List in Fall 2009. While most of you will not graduate as part of University College, we are proud that you are starting out as conscientious and capable students.

As you continue to pursue your undergraduate education, reflect upon your accomplishments, make choices that will ensure your continuing success, and set personal goals to graduate with academic honors we recognize by their Latin labels: cum laude, magna cum laude, and summa cum laude. Most importantly, be a significant member of the Texas State academic team by challenging other students and your professors to create a memorable and remarkable education for intellectual growth at Texas State.

You have become the latest of Texas State’s Rising Stars.
Criteria for the Dean’s List

To be eligible for the Dean’s List, an undergraduate student must complete a minimum of 12 credit hours and earn at least a 3.50 GPA at the end of any fall or spring semester.
